## CITY OF AVENTURA ANNOUNCES THE 2009 **GO GREEN** INITIATIVE PROGRAM

**Aventura, Florida ...**

How Green Can Your Condo or Business Go?

The City of Aventura announces a call for submissions to the 2009 GO GREEN Initiative Recognition Program. Winners will be recognized at the Arbor Day ceremony which will be held on Friday, April 24, 2009. This award was created to recognize the efforts of residents and businesses who are taking the initiative to preserve the environment.

The application form is available online at [www.cityofaventura.com](http://www.cityofaventura.com) or by calling the Community Services Department at 305-466-8930. The deadline for all GO GREEN applications is Friday February 27, 2009.

Categories include recycling, energy savings and alternatives, water conservation measures, fuel conservation/alternatives and others listed on the application. This GO GREEN Initiative program is a project of the Aventura Community Services Advisory Board, who will be presenting the awards. The GREEN Initiative Recognition Program benefits the city by raising environmental awareness; and recognizing the residents and businesses that are acting now to preserve our environment; save energy; and prepare the City of Aventura to be a sustainable community.
