Williams Island Boulevard Milling & Resurfacing Improvements

Aventura, Florida ...

Asphalt Milling and Resurfacing Improvements on Williams Island Boulevard from Biscayne Boulevard to the Eastern Terminus will begin on February 16, 2010 and be completed on May 17, 2010. Driveway access improvements on the roadway to the Bank and Shopping Center adjacent to Biscayne Boulevard will also occur during this time frame. Heavy construction requiring roadway closures to allow asphalt removal and placement will not occur until March. However, detours outlined on the Maintenance of Traffic plan will allow alternative access to destinations in both the east and west directions. Driveway access on the roadway will be maintained through the use of signage and flagmen in the work zone. The Maintenance of Traffic plan required for construction has been approved by the City of Aventura Police Department. We apologize for any inconvenience.

For more information, call 305-466-8910 or visit the City's website at www.cityofaventura.com.

Eric M. Soroka
City Manager
