DON SOFFER DRIVE EXERCISE PATH IMPROVEMENTS

Aventura, Florida...

As part of the Federal American Recovery and Reinvestment Act and the City of Aventura's Capital Improvements Program, improvements to the exercise path will begin Monday, March 15, 2010 through September, 2010. The work will be conducted in phases starting at Aventura Boulevard and West Country Club Drive heading north. These improvements will require the affected sections of the path to be closed for pedestrian safety.

Exercise path users are advised to exercise caution for the duration of this project. The affected work areas will have signage indicating the closed sections as the work progresses. We apologize for any inconvenience this work may cause. For more information you may contact the City of Aventura at 305 466-8931.
