## AVENTURA LAUNCHES ELECTRONIC NEWSLETTER

Aventura, Florida...

In the spirit of Aventura's Go Green initiative, an electronic version of the newsletter, Aventura Update, is now available on the City's website. This new online edition of Aventura Update helps reduce the amount of paper used for City communications and saves money while increasing the availability of news and information for residents, businesses and visitors.

The regular print edition will still be published during the year and mailed out directly to homes. The periodic online newsletter will still serve to lessen our local impact on the environment as we continually look for ways to green our government. Aventura Update represents the City Commission's continued commitment to keep the community updated on important issues, including city government and services. This newsletter is published several times throughout the year both in print and online.

Click the Aventura Update button from the City's home page at [www.cityofaventura.com](http://www.cityofaventura.com) or visit [www.cityofaventura.com/newsletter](http://www.cityofaventura.com/newsletter) for a direct link.
