City of Aventura Decorative Street Lighting Installations on NE 30th Avenue

Aventura, Florida ...

The City of Aventura begins a street lighting improvement project on NE 30th Avenue between NE 207th Street and north to Aventura Commons starting Monday, February 12, 2018. Due to the nature of the improvement project and for vehicular traffic safety, there will be periodic lane closures; however, no road closures will be necessary. The City recommends avoiding the area during construction and to seek alternate routes.

The project is scheduled for completion by mid-April of this year.
